

ENVIRONMENTAL POLICY

The President and the Principal of London College of Business Limited understands their environmental responsibilities. The organisation's environmental policy ensures that its activities do not impart harm or damage to the environment by way of using materials or energy that may have been produced in a wasteful manner.

The College shall neither dispose of waste materials in a manner that could cause harm to the environment.

To this end The College's actions in observing the above policy will ensure that it is relevant to its activities, products and services and their environmental effects.

The Principal shall ensure that:

This policy is understood, implemented and maintained at all levels in the College

This policy is publicly available.

This policy confirms their commitment to continual improvement of environmental performance.

This policy provides for the setting and publication of environmental objectives.

The President

The Principal
